

**Carry Over Resolution 2019-04
Ritual Clarification
(Requires a 5/6 majority to approve)**

(Additions in Bold deletions in ~~strikethrough~~)

Synopsis: The purpose of this legislation is to resolve the debate whether the answer to the question “What came you here to do?” be separated by commas to create a numerical value of three in consistency with the teachings of Masonry and the EA degree, to read “To learn, to subdue my passions, and to improve myself in Masonry”.

Whereas, when we enter Masonry we begin to learn and through that process it should become apparent to us that if we subdue our passions, we can realize greater self-improvement in Masonry hence a three-step process.

Therefore, be it resolved: The ritual of the Grand Lodge Free and Accepted Masons of Arizona be amended as follows:

Entered Apprentice Degree (page 5)

W.M. – What came you here to do?

S.W. - To learn, to subdue my passions, and **to** improve myself in Masonry.

EA Examination (page 45)

Question – What came you here to do?

Answer – To learn, to subdue my passions, and **to** improve myself in Masonry.
