

Resolution 2020-10  
Authorized Aprons and Jewels  
(2/3 majority required for approval)

Synopsis: Continued questions again this year about wearing other than Blue Lodge aprons and jewels prompted the Grand Master to issue Edict 2020-02. This resolution is proposed to codify what is appropriate to be worn in a tyled Blue Lodge.

Therefore: Be it resolved that new Section 2-205 Authorized Aprons and Jewels be approved and included in the Statutes and Table of Contents. (This Section number 2-205 will be used only if Resolution 2020-19, Statute Housecleaning, is approved.)

**Section 2-205 Authorized Aprons and Jewels. No Masonic apron or jewel except those issued or authorized by this or another recognized Grand Lodge shall be worn in a tyled Lodge. Concordant or Appendant Body aprons or jewels may only be worn by dispensation from the Grand Master which shall be for a specific meeting.**
